

# CASE STUDY

## Residential

**CLIENT:**  
Morris Homes.

**SITE:**  
Former Automasters, Hyde,  
Tameside, Greater  
Manchester.

Hourigan Connolly assisted Morris Homes in securing detailed planning permission for residential redevelopment of this protected employment site in Hyde, Tameside, Greater Manchester.

We successfully demonstrated that there was no demand for the site for employment purposes and that such a use would be unviable in any event.
