

CASE STUDY

Commercial & Residential

CLIENT:
United Utilities.

SITE:
Greater Manchester Spatial Framework.

Hourigan Connolly submitted representations to the Greater Manchester Spatial Framework (GMSF) on behalf of United Utilities to protect their client's strategic interests in the North West region.

Moving forward, Hourigan Connolly will continue to monitor the progress of the GMSF and will provide strategic planning advice to ensure United Utilities are best positioned to maximize the

development potential of their landholdings in the Greater Manchester sub-region.
