

CASE STUDY

Leisure

CLIENT:
West Didsbury and Chorlton
Amateur Football Club.

SITE:
The Recreation Ground,
Brookburn Road, Chorlton,
Manchester.

Hourigan Connolly are avid supporters of WD&C AFC, offering support in both a professional capacity and by shouting loudly on the sidelines during matches.

The club required assistance to protect the life of two important extant planning permissions which were due to expire. We

provided advice on how best to approach this, as well as providing other planning-related advice to support the club achieve its promotion ambitions. Full planning permission was sought for an extension to the existing clubhouse and a new spectator stand, and by liaising closely with the Local Planning

Authority we successfully achieved this well before the 8-week target decision date.

Hourigan Connolly are proud to support such a great local community club.
